Helenski Public school is very good school. All the staff and teachers are very supportive. Big campus and kids can enjoy and also they have extra curricular activities with studies. We are happy about the school.

Chokaravic

Its one of the well balanced schools for kids in and Hebbal surrounding areas, where the curriculum is not just targeted for studies but for overall growth of kids, by making sports and other activities part of curriculum

Alex

Helenski Public School is a great place, where students are imparted excellent academic and extracurricular coaching. All students are treated equally and with respect. There is a positive energy flowing from the teachers and the office staff. The portions are covered at such a pace that, the students don't feel burdened. Our son Adams loves coming to school. Last but not least, a big thanks to all his favourite teachers.
